

Ammar Yasser Hassan

Software Engineer | Web Developer

Obour city, Egypt | [+201120976660](tel:+201120976660) | contact@ammaryasser.site | [LinkedIn](#) | [Portfolio](#)

Objective

A Motivated Web Developer specializing in **WordPress, Laravel, and Next.js**, with hands-on experience building responsive, high-performance websites and landing pages. Skilled in JavaScript, PHP, and modern frameworks, with a strong focus on clean code, UX, and SEO. Seeking a role where I can contribute to scalable digital products and continue growing as a full-stack engineer.

Experience

Word Of Mouth agency | Web Developer

06/2025 – Present

- Developed and optimized custom websites using HTML, CSS, JavaScript, WordPress, and modern frameworks.
- Improved site performance, accessibility, and mobile responsiveness across multiple projects.
- Applied UX/UI best practices to enhance user engagement and conversion.
- Integrated SEO tools, analytics, marketing automation, and tracking scripts.
- Worked closely with designers and project managers to deliver high-quality client websites.

G Group | WordPress Developer

11/2024 – 03/2025

- Developed and customized responsive WordPress themes to enhance website functionality.
- Optimized website performance and improving load speed.

GAMA Construction | Document Controller

08/2024 – 11/2024

- Strengthened my attention to detail and project documentation skills.
